

## Appendix 8

# Honorary Fellows and Past-Presidents

Any person who has rendered important services to the Federation may be appointed an Honorary Fellow of the Federation by a supermajority of the General Assembly. All Federation former Presidents become Honorary Past-Presidents of the Federation after they finish their term on the Executive Committee as immediate Past-President. All Honorary Fellows and Honorary Past-Presidents hold such title for life, are entitled to attend all Congresses, and serve the Federation as non-voting members of the General Assembly.
